Dear Friend and Neighbor,

We are seeking your support for a charitable event we are hosting this summer. On Saturday, June 3, 2017, we will hold the **2nd Annual LIC Post Waterfront 5K**, a family-friendly run / walk beginning and ending at Center Blvd and Borden Ave. Proceeds will be going to the **Hunters Point Parks Conservancy**, an all-volunteer non-profit that beautifies the waterfront parks and hosts events that draw people into the neighborhood from all over New York.

In conjunction, we are partnering with the **Woodside-Sunnyside Runners & LIC Runners** to help organize race day activities. Combined, these race groups have over 3,500 members, with a proven record of recruiting and retaining new runners, as well as organizing regular runs all over the city.

Highlights from the 2016 Waterfront 5K:

- SOLD OUT 1,200 tickets before last year's race day
- Over 20 local sponsors, including Plaxall, Douglas Elliman, Rockrose, LIC Dental Associates, Hunters Point South Living, SHI, Food Cellar, Maiella, Manducatis Rustica, Crossfit Gantry and more!
- Our kids' "Center Blvd Dash" had over 50 children participate, with all receiving award ribbons and their own personalized bibs
- Awards and mementos from the race can be found throughout Long Island City business institutions

Please see the attachment below for the levels of sponsorship opportunities we have available. Thank you in advance for your time and support.

Sincerely,

Christian Murray, Rob Basch, Ann Sansaricq, and Jeffrey Choi
